# MOBILITY-ONLINE

THE WASHINGTON CENTER

DEADLINE FOR VALIDATION SUBMISSION OF THE APPLICATIONS: 29 March 2024

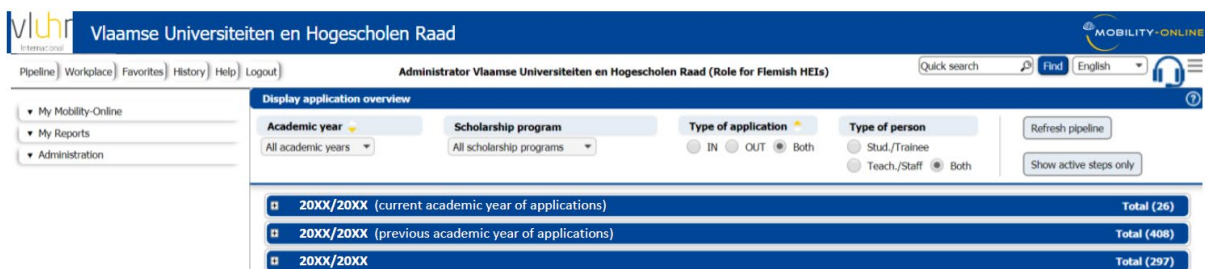

## 1. LOGIN

Each employee from a higher education institution in Flanders who creates applications in the Mobility-Online tool has received a login and password from the secretariat of VLUHR. If not, or if your password and/or login doesn't work, please contact the secretariat by email: [international@vluhr.be](mailto:international@vluhr.be).

Please use this link to login in the Mobility-Online tool: [www.service4mobility.com/europe/login](http://www.service4mobility.com/europe/login).

## 2. SUBMENUS AND WORKFLOW

When you are logged in the Mobility-Online system, the tool opens onto your personal workspace (see picture below).

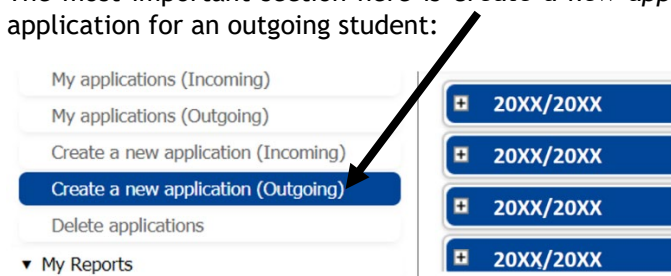

Academic year	Scholarship program	Type of application	Type of person	Total
All academic years	All scholarship programs	<input type="radio"/> IN <input type="radio"/> OUT <input checked="" type="radio"/> Both	<input type="radio"/> Stud./Trainee <input checked="" type="radio"/> Teach./Staff

20XX/20XX (previous academic year of applications)				Total (408)
20XX/20XX				Total (297)

### Submenus

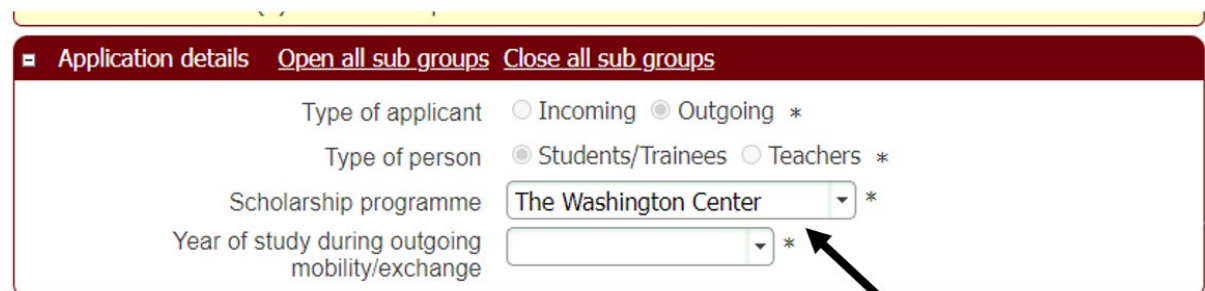

The menu on the left consists of three submenus: My Mobility-Online, My Reports and Administration:

#### My Mobility-Online:

The most important section here is *Create a new application*, which enables you to create a new application for an outgoing student:

You can choose the scholarship programme at the top of the application:

Application details [Open all sub groups](#) [Close all sub groups](#)

Type of applicant  Incoming  Outgoing \*

Type of person  Students/Trainees  Teachers \*

Scholarship programme The Washington Center \*

Year of study during outgoing mobility/exchange  \*

After you have created an outgoing application, the student will receive an automatic email from the Mobility-Online tool asking to register. After the student has registered on Mobility-Online, they can complete the application procedure. The different steps that the student must complete are to be found in the Call of The Washington Center and in the Mobility-Online manual of the student.

*My applications Outgoing* gives you an overview of all the outgoing applications for your university or university college.

In the other sections *My institution*, *My persons* and *My addresses*, you can change or add new information regarding your university, university college and your colleagues. If you want to create new contact persons for your institution, please contact the secretariat: [international@vluhr.be](mailto:international@vluhr.be).

We advise you not to use the last section **Delete applications**, unless you are 100% sure that the chosen application can be deleted. When in doubt, please contact the secretariat. The secretariat can cancel an application; the application will not be appearing in your overview anymore, but will not be deleted from the Mobility-Online system.

## 3. APPLICATION PIPELINE

### 3.1. EXECUTE A STEP IN YOUR WORKFLOW

The screenshot shows the 'Display application overview' interface. It features several filter sections: 'Academic year' with a dropdown menu set to 'All academic years'; 'Scholarship program' with a dropdown menu set to 'All scholarship programs'; 'Type of application' with radio buttons for 'IN', 'OUT', and 'Both' (selected); and 'Type of person' with radio buttons for 'Stud./Trainee' and 'Teach./Staff' (selected). There are two buttons: 'Refresh pipeline' and 'Show active steps only'. Below the filters is a table with four rows, each representing an academic year and its total number of applications:

Academic year	Total
20XX/20XX (current academic year of applications)	26
20XX/20XX (previous academic year of applications)	408
20XX/20XX	297
20XX/20XX	343

Bear in mind that you will only see the submenus of the previous academic years if there have been applications created for that specific academic year for your institution.

The applications are ordered by level 1: academic year, level 2: type of mobility (incoming or outgoing) and level 3: scholarship programme (Master Mind Scholarships, The Washington Center, Priority Country Programme and the Flanders Trainee Programme).

When clicking on + next to the academic year, you will see the application workflow for this programme.

This screenshot shows a close-up of the 'Academic year' filter dropdown menu. A black arrow points from the '+' icon next to the '20XX/20XX' entry in the dropdown list to the 'Academic year' label above it.

This workflow gives an overview of all actions which need to be done or have been done for this programme. The workflow below is only an example. It is possible that this differs slightly from your workflow.
